The NEW ENGLAND is 31 years old 173 feet
long, and 30 tons burthen: During the past winter she has been thoroughly overhauled and repaired. and the proprietors have spared neither pains nor expense to render her in all respects worthy of public confidence. That she is the fastest boat on the englern ennal'is now universally admitted, and her superiority as a sea-hoat has been fully proved: Travellers from the eastern part of Maine to Boston and from Boston eastward, will find this route in many respects preferable to any other. The mail stages from Rangor and Belfast arrive bulore the doparture of the boat, and the heat arms a Gardiner on her return passages from these To six ours before the departure of the eastern sliges; thus affording travellers an opportunity of spending several hours in Gardiner. Hallowell and Augusta JOHN BEALS, Bath.
